\_\_\_\_\_ I agree to wait until *after* 8<sup>th</sup> grade to give (names) \_\_\_\_\_  
an internet capable (smartphone) or talk and text only cell phone.

\_\_\_\_\_ My child (name) \_\_\_\_\_ already has a smartphone, but I agree  
to remove the internet and social media applications so that it is essentially a talk and text only  
phone. I agree to take the steps needed prevent texting during sleeping hours.
